

Air Jordan 11 Black Red - AJ1102 \$59.99

Air Jordan, also known simply as Jordans, is named from former professional NBA basketball

player Michael Jordan. It is released in 1985 by Nike company. Now the Air Jordans are the world's most famous basketball shoes, there have been new designs of the shoe released each year, even after Michael Jordan retired from the NBA.

Air Jordan 11 was designed by Tinker Hatfield, and released in 1996. Air Jordan 11 is one of the most classic sneakers. It was meant to stand out with a fusion of performance and style.

The Conduca nylon upper, carbon fiber plate and the shiny patent leather not only made the shoes lightweight, but also gave the shoes a "formal" look. A fact that many owners of the shoe took advantage of thereafter, pairing the shoe off the court with business suits in

substitution for dress shoes. Jordan 11 was re-released many times in 2000, 2001, 2009 and

2011
