

Air Jordan 2011 Black Red - AJ201101
\$63.99

Air Jordan, also known simply as Jordans, is named from former professional NBA basketball

player Michael Jordan. It is released in 1985 by Nike company. Now the Air Jordans are the world's most famous basketball shoes, there have been new designs of the shoe released each year, even after Michael Jordan retired from the NBA.

Air Jordan 2011 was released on February 19, 2011 in correspondence with the 2011 All Star Game. The 2011 has a unique design along both sides of the shoe. It is a star-constellation pattern that also serves as breathing holes for the shoe to keep it well ventilated. What sets the shoe apart from the pack is the usage of Patina Leather wrapped around the shoe. Each pair is hand burnished and hand crafted. The dress shoe feel similar to the 14 was the goal.
